

# Lab Equipment & Instruments

## All kinds of Lab equipment & Instruments & Accessories

**Air quality, water analysis instruments & equipment**

**All kinds of centrifuges**

**Automatic liquid handling, dispensing systems**

**Balances**

**Baths**

**Benchtop automation & laboratory robot systems**

**Biochemistry equipment: semi & fully automatic**

**Biological safety cabinets & clean benches**

**Blenders**

**Boilers**

**Bottle top dispensers**

**Burners**

**Capillaries & polymers**

**Carts**

**Chambers**

**Chillers**

**Circulators**

**Columns**

**Condensers**

**Counters**

**Crimpers/decappers**

**Crushers**

**Degassers**

**Distillation units**

**Electrochemistry meters & accessories**  
**Electrode**  
**Electroporation instruments & accessories**  
**Evaporators**  
**Extraction**  
**Eye wash stations**  
**Flow cytometers & accessories**  
**Fluorometers**  
**Furnaces, ovens & accessories**  
**Gas equipment**  
**Gel boxes, gel imagers, power supplies & accessories**  
**Glassware washers**  
**Glove boxes**  
**Heat guns**  
**Heaters**  
**Hoods**  
**Hotplates**  
**Hydrometers**  
**Imaging & microscopy instruments & accessories**

**Immunochemistry equipment: semi & fully-automatic**  
**Laboratory automation freezers & incubators**  
**Ladders**  
**Lamps**  
**Laser & light pens**  
**Liquid nitrogen monitors**  
**Magnetic separators & accessories**  
**Magnifiers**  
**Mantles**  
**Microplate instruments**  
**Microscopes**  
**Pumps & flowmeters**  
**Refractometers**  
**Refrigerators, freezers & cryogenics**  
**Rollers bottle apparatus**  
**Shakers**  
**Spectrophotometers & spectrometers**  
**Spectroscopy & elemental analysis-instruments & equipment**

**Static eliminators**

**Stirrers**

**Thermometers**

**Thermoregulators**

**Ultrasonic cleaners**

**Vacuum concentrators & kits**

**Viscometers**

**Vortexers**

**Water purification systems**

**Wireless temperature monitoring &  
accessories**

**Work stations**
